

Capital City Soccer League

Board Meeting Minutes

March 12, 2011

Attendees: Troy Martin, Whit Adams, Sandy Harris, Jim Swanson, Britten Burkenhouse

1. Discussion was around classic league as some players have decided to switch to some private time. Troy plans to do a follow up with individuals from that group to find out how CCSL still work with them and why they have decided to have a more closed group.
2. Whit updated us that he had originally provided Tim Cottongin the wrong amount of games needing center refs for the summer seasons. Between Men's, womens and the tournament.
3. Troy Martin updated the board on the discussion that Troy Choqutee had with AASA. The keys components that AASA can provide to CCSL are insurance, nationally affiliated so members can participate in other events throughout the country hosted by USASA. Referees' are credited for games and CCSL would be eligible to apply for grant funds .
4. Troy and Whit informed the board they will submit the request for field time for Diamond Park Field house for next fall and winter which is a mirror image of last season. This field time is with the anticipation of 4 mens and 4 womens teams.
5. Britten updated us on our current financial status but stated that we still have money owed to CCSL for indoor league members. We also discussed the need to switch the CCSL bank account from Wells Fargo to USA Federal Credit Union as the league is paying unwanted fees with Well Fargo.
6. Whit and Troy both indicated they are looking at providing some gifts for the managers of the indoor league. They will be using their own money they get paid from the league to do this. The Board felt this was very commendable that they are doing this and really appreciate the gesture.
7. Next board meeting is scheduled for May 14 at Diamond Park Field House.
